

Montfortians Give Back in "Hair for Hope" 2010

Monfort Junior School's "Hair for Hope" 2010 held on 11 August 2010 was a great success. Two other schools, Montfort Secondary School and Edgefield Primary School, joined Monfort Junior School in the satellite event. There were a total of 219 shavees that day, making it one of the greatest numbers of shavees in a satellite event organized by Children's Cancer Foundation.

With the support from the pupils, parents, staff and generous donors, all 3 schools surpassed our expectations and collected a record sum of **\$37,756!**

We are grateful for the very generous donations and the genuine display of giving from all 3 schools to the less fortunate. For instance, when the donation boxes were passed around Monfort Junior before school and during recess, many boys came forward to donate their pocket money for the day without hesitation.

We will continue to develop our youth to demonstrate the values of compassion and thoughtfulness. We look forward to everyone's support in 2011!
