

## Westpac Bank Supports Hair for Hope 2010

Joining Hair for Hope for the first time, Westpac Bank rallied its entire staff to support their two shavees – Mr Tony Smith, Head of Corporate and Institutional Banking and Mr Phil Michell - Director, Large Corporates (Corporate & Institutional Banking) on 6 August 2010 at their office premise at Robinson Road.

Having been inspired by Tony & Phil, two other colleagues and a visiting friend shaved on the spot too! Melissa Ryan of Westpac helped organise this shaving event. She shared, "It was a fun event and it looks like we raised more than our target." Westpac Bank raised **\$29,114.35** to help fund the free programmes and services offered by Children's Cancer Foundation to its beneficiaries.

Westpac Bank started to work with CCF in 2006, coming back this year for Hair for Hope 2010. Westpac Bank plans to work closer with CCF to involve their staff to organise activities for our beneficiaries. We thank Westpac Bank for their support. We look forward to more years of meaningful partnership with Westpac Bank.
