

## Hair for Hope Closes in the Heartlands at Eastpoint Mall

the people who are truly passionate about the cause, as shown by the outstanding 55 males and 8 females who shaved.

Mr Jason Ong, a 3 time shavee, and a Secretary in the Simei Citizens' Consultative Committee, (CCC) shared, "This is my third time shaving. This is a cause that I strongly believe in and by shaving I hope to send the message to the residents that we should support this worthy cause. My son, Junkang, 10, has a classmate who had chemotherapy. Junkang came to me and told me that he wanted to shave as he was inspired by his classmate. My daughter, Yingxin, 8, followed his brother's footsteps. This is an incredible year for me as both my kids shaved."

The event saw Ms Jessica Tan Soon Neo, Member of Parliament for East Coast GRC and Adviser to East Coast GRC Grassroots organisation who officiated the event and presented tokens of appreciations to the sponsors of the event, Eastpoint Mall, Touche and J-Force.

Hair for Hope 2010 closed with over 1.2 Million raised. We look forward to another year of continued support from the people of Singapore.
