Hair-raising experience
Hair For Hope raises funds for children with living with cancer. Launched in Singapore in 2003 with just nine people shaving their heads for \$2,000, Hair For Hope raised more than \$150,000 last year, with more than 300 volunteers parting with their hair.

Visit www.ccf.org.sg to find out more or head to the Fountain Of Wealth at Suntec City on July 23 and 30 to be part of this hair-raising experience!
