Because Life is More Than Just Receiving

Children's Cancer Foundation (CCF) is a social service agency with a mission to improve the quality of life of children with cancer and their families and children impacted by cancer through enhancing their emotional, social and medical well-being.

Founded in 1992, CCF provides children with cancer and their families the much needed support in their battle against the life threatening illness. Over the years, CCF has helped more than 3000 children and their families at different stages of the illness and recovery.

Armed with the vision of providing world-class resources and psychological services to families affected by childhood cancer, CCF employs professional caseworkers and counsellors, and adopts an integrated hospital-community-home service model to offer a spectrum of free critical services to our beneficiaries.
